TESTIMONIAL LETTER

Before I went here in Singapore I got an agency already endorsed by a relative. I decided to get here though I still have no IPA because I was told that my documents is in MOH already for processing. I've waited and waited until after Chinese New Year but NO IPA released for me. Then I was told by my old agent that they are going to send again my documents to other Nursing Homes for some reason that my documents had been dropped by MOH. This time I asked for assistance to Jean Marie Del Campo. She's also working as a Nsg. Aide here. She gave me the number of Tita Marivic who works for ESTEEM EMPLOYMENT AGENCY. After our first meeting everything was arranged then suddenly my life change. In just a week I got my IPA already. So fast that until now I still can't believe that I have a job already.

Big THANKS to Esteem Employment Agency. They're one of a kind. Continue on being a blessing to other lives. You just did for me.
