TESTIMONIAL LETTER

I am thankful that me and my sister got a job here in Singapore because of Esteem Employment Agency. They are very nice to all Filipinos that are applying for a job. They are approachable and they always inform or update applicants for what applicants going to do. My sister now is very comfortable to her job because this agency find a job that suits the capability of my sister. For me, Esteem Employment Agency can give us a better future.

A handwritten signature in blue ink, appearing to read 'S. Calera'.

CALERA, SUSAN P.
